

Friday 14th September 2018

Weekly Newsletter

This week saw our first netball fixture with the U11/10 Netball playing against Radnor House. The two teams were a great match and both schools showed some excellent skills defending and intercepting.

The booking forms for October Holiday Club will go live on the website early next week so parents can start making arrangements. We will send a ParentMail to let you know when this has taken place.

If you are planning to use breakfast club at any time, please would you ensure that your child has arrived by 7.45am at the latest. This way we can ensure everyone has had something to eat and the staff have cleared up in time for the children to go outside for some fresh air before the school day starts.

Just a reminder that we have two trips next week; Y5 to Radnor House for a Science Discovery Day and Y6 to [New Scientist Live](#) at Excel in London. All children need to be smartly dressed in full school uniform and should bring a water bottle (not glass), a piece of fruit and a small named backpack. Y6 depart at 9.00am and will be back for the usual dismissal time and Y5 leave at 9.30am and will return at 1.00pm.

School will close early at 1.30pm on Friday 21st September, as Saturday 22nd is our Open Day. Pupils in Y1 to Y6 are expected to be in school on Saturday and will take part in maths and PE activities. Children should arrive at 1.50pm and should be collected between 3.55-4.00pm. All children should come to school wearing smart PE kit for tag rugby or netball.

A note for your diary is our Macmillan French Café on Wednesday 26th September. Our Y6 French waiters will be on hand to provide coffee and pastries for parents and friends between 9.00am – 10.00am and all funds will be given to [Macmillan Cancer Support](#). All the children will be given pain au chocolat and hot chocolate (or an alternative) in return for a £1 donation to the charity. Please do come along!

The Harvest Assembly will be taking place on Friday 28th September 2018 and the Bridge Trust will be joining us to share some information on how our donations help their charity in conjunction with the local foodbank. A letter has already been sent out with more information regarding donations. If you are able to give something that will be donated to the Nourish Food Bank, to support those less fortunate it would be very much appreciated. Donations can be left in the conservatory from Monday 24th September 2018.

Please make sure you are receiving all our emails via ParentMail – you might need to check your Junk Email to ensure we are not lurking in there! If you have not already downloaded the ParentMail app please take a moment to look for this – it is guaranteed to make your life easier! If you have not already connected to your account then speak with Miss Greener in the School Office who can send you a registration link.

You may have noticed that we are using social media more this week in an effort to spread the word of how amazing our school is! If you would like to leave a review on our [Facebook](#) page and follow us it would be appreciated. Equally our [Twitter](#) feed is back up and running so you can follow us there also.

Finally, please remember The Fosse Association open the second hand uniform shop every Friday morning from 8.45am to 9.15am. This can be located in the changing rooms above the pool. If you would like to donate any uniform, please leave these in the School Office.

My particular thanks to the new team on the Fosse Association, who have already made a lively start planning this term's activities, the first of which will be the Comedy Evening on 28th September 2018.

Best wishes

Alison Cordingley
Headmistress
