

First week back!

Firstly we hope that your family and friends remain safe in these difficult times.

Well done to all pupils and staff for their first few days of our new online learning platform. Zoom lessons have been a great success and we hope that the children are enjoying the ability to connect with their teachers in more effective way for their core lessons.

The use of Assignments is going well and again we hope the children are finding this process an easier one to navigate than before the Easter holidays. Please do send any feedback you might have to your child's class teacher as we are constantly reviewing the new learning platform and seeking out ways to improve it. We do understand that this is a difficult experience for all involved but we are doing what we can to deliver educational material whilst at the same time understanding the challenges parent are facing with their children being schooled from home while at the same time perhaps having to work themselves.

Fosse Friday Activities will be planned for each week. The idea is for the whole family to get involved if they want to. Lots of ideas are saved in the relevant folder on your child's class SharePoint site. Do not panic! We are not expecting you to do them all. They are there to give you choices and ideas, however, feel free to do something else that falls into the weekly theme if you wish to and remember to send photos to your class teacher! Next week's theme (1st May) is to design a Super Hero for our Growth Mindset word of the term which is Resilience.

Online safety is more important than ever – please visit this link for more information - <https://mailchi.mp/3fc48431d709/online-safety-at-home-from-thinkuknow-07-04-2020?e=2272253362>

RAINBOWS!

Keyworker children's artwork for everyone helping to protect us.

Birthday's this week

A very happy birthday to the following people who have or will be celebrating this week!

John Roy – Kindergarten

Jonny M – Y2

Aggie – Reception

Mrs Taylor – Staff

As usual communication is key! If you need help with anything regarding lessons or work set please contact your child's teacher. If you have a technical issue please email office@fossebankschool.co.uk
