

Well done Team Fosse!

Many congratulations to pupils, parents and staff for completing their first full week on our remote learning platform. Please do continue to give your child's class teacher feedback as we constantly look to improve our remote learning environment.

Last week's Fosse Friday Activity was St George and the Dragon themed. To see all the work that has been sent in please click this [link](#).

This week's theme is to design a Fosse Superhero for this term's word – **Resilience**. Pictures of the very best superhero are going to appear around the school and on the website and will be there for years! It could be a mixture of ideas from several people. Visit your assignments to find out more and make sure you send photos of your work to your class teachers.

Looking after everyone's mental health is of paramount importance at the moment. Please visit this [link](#) for more information for more advice on how to take care during lockdown.

Admissions to the school still continue, albeit slightly differently due to lockdown. We have created a virtual tour for new parents to have a snapshot of life at Fosse Bank. If you have not already seen it then please visit this [link](#) and do share with your friends and family across social media platforms.

Finally, Patramus points for the week were announced at yesterday's Celebration Assembly:

Penshurst – 225
Scotney – 165
Chartwell – 204
Hever – 149

Well done everyone! Keep up the good work.

Best wishes

Miss Cordingley

Birthday's this week

A very happy birthday to the following people who have or will be celebrating this week!

Olivia – Reception
