

## Another great week!

Well done everyone! Another fantastic week of remote learning has passed us by and each day the pupils (and staff) are getting more adept at using the technology. Zoom lessons are going really well (especially the live cooking session with Y5) however please ask the children **not** to change their names on their Zoom account as for safeguarding reasons if the teacher does not recognise their name the pupil will not be granted access from the waiting room. Please also remember for assemblies and lessons that pupils should be muted unless otherwise directed and that they must be visible e.g no pictures.

People are handling lockdown differently. Some are experiencing no issues and others are anxious and worried about themselves and others. We have uploaded some mental health and wellbeing resources to our website along with a Home Thoughts and Feelings book to work through which may be of some help. These can be found via this [link](#).

Last week's Fosse Friday Activity was to design a Fosse Superhero for this term's word – **Resilience**. Pictures of the very best superhero are going to appear around the school and on the website and will be there for years but for now you can view some of them [here](#)!

Tomorrow is a bank holiday to celebrate VE Day and the picture to the right is a plan you can use if you would like to, for a nationwide street party. Lots of activities have been put in the class SharePoint sites and we would love to see your photos so please send these through to your class teacher!

Well done everyone! Keep up the good work and have a very good weekend.

Best wishes  
**Miss Cordingley**

## Patramus points earned this week:

Penshurst	152
Scotney	111
Chartwell	118
Hever	106
