

Please be aware that we are still working to the government advice that the school should open for Early Years, Reception and Y6 from the 1st June. Extensive plans have been put in place and a letter detailing further information on the return to school will shortly be sent out to the year groups due to return. It is imperative that parents understand that school will not be opening as we knew it before the lockdown was implemented and children should expect a very different experience. We ask that parents take the time to prepare the children for the changes they are going to experience with social distancing.

This Friday's Fosse Activity was a Den building theme and we cannot wait to see the children's creations.

Please see below link for an online safety hub for parents to access interactive guidance on setting up parental controls on their child's devices, as well as guidance on apps like TikTok, YouTube and Instagram and more.

If you have not yet 'liked' our page on [Facebook](#) or followed us on Twitter please do! It is a great way to get the message out to prospective parents on how fabulous Fosse Bank is. Please also be advised that the Fosse Association has set up their own [Facebook page](#) – so you can now keep up to date with what is being planned over the next few months.

Are you an Amazon shopper? The Fosse Association have set up the school on Amazon Smile. Same products, same prices, same service but Amazon donates 0.5% to Fosse Bank if the purchase is eligible. More information can be found via this [link](#). If you have not yet linked your Amazon account please do!

I hope you have a very pleasant half term break.

Best wishes
Miss Cordingley

As usual communication is key! If you need help with anything regarding lessons or work set please contact your child's teacher. If you have a technical issue please email office@fossebankschool.co.uk

Hats in Assembly!
