

Our first week back for Early Years, Reception and Y6 has been an outstanding success. Reception live in the 'Orange Kingdom' and will challenge anyone who tries to enter without getting permission from Queen Davies or Queen Tucker! Early Years are enjoying the outside areas to the full and Y6 have been sketching the building, running a daily mile and enjoying being back in the building for their learning.

Remote learning via Office 365 and Zoom continues to be delivered to those classes who are unable to return as of yet. This week's Fosse Friday Activity is an opportunity to tell us about your favourite animal or pet. This can be a painting, picture, sculpture or designing a home for an animal – photos to follow next week!

Year 3 Art have started their topic on painting a picture. They have looked at Wassily Kandinski this week, which involved colour mixing and you can see more via this [presentation](#). Year 2 have been making cat models having read Jamil's Clever Cat – can see these [here](#).

We are taking all reasonable steps to ensure the safety of staff and pupils who have returned this week, with temperatures being taken for all on arrival, social distancing reminders, handwashing/hand sanitizers being readily available and used. This link provides [guidance for parents](#) on what to do if a child shows any of the symptoms or signs.

Chef Jane has created outstanding picnic lunches and snacks throughout the week and she is planning on being even more creative next week!

Thank for all the positive feedback received from parents this week – it is much appreciated!

Have a lovely weekend.

Best wishes  
**Miss Cordingley**

### ***Patramus points earned this week:***

*Penshurst 342*

*Scotney 274*

*Chartwell 255*

*Hever 235*

Many happy returns this week to the following people

Erin – Y3

Conrad – Y6

Clarissa – Y5
